DIVE INTO SUMMER

Get ready to make waves! Our Westchester heat is finally here and in this issue we'll show you where you can eat and drink, hike and bike, and of course cool off. Start with our Hot Happenings sections - one for all five regions - guiding you to the outdoor movie nights, festivals, and pop-ups for adults or kids, every day from July through September. In those sections, you will also find great restaurants, bars, and shopping. Then, what's more summer than a frozen treat? Get your licks in after reading our guide to the county's ice creams, froyo, ices and smoothies. And you don't need a getaway to get away ...all you need is our listings of the beaches, lakes, and pools open to you in your backyard. We close out this edition with "Summer in Style," shops to visit to keep you looking and feeling good. So whether you're looking for concerts or craft fairs, cocktails or craft brews, delicious bites or shows that excite, thank you for starting your Westchester journey here, and I'm wishing you a sizzlin' summer.

Design Matters.

Your business needs the right branding. We start with a logo, then develop nerdy stuff like colors, fonts, stylesheets, and layouts. Then we build a big, pretty website and take photographs. The excitement continues as we design business cards, brochures, shirts, and more. Once we're done, everyone in town gasps in delight at your beautiful new business. You are hailed as a pillar of the community and showered with praise. Eventually, you run for mayor of your beloved town, then governor, and eventually the presidency. You bring peace to world. All because of graphic design. You're welcome.
