Westchester's Winter Wonders

As winter unwinds, we do tend to get a little bit of Cabin Fever. Luckily, I think I have the cure: Cozy up with this Edition of Guest to discover a winter wonderland of Westchester events, listed by region. Amazing concerts are coming right to our frosty backyard in February and March, along with exhibits, kid-friendly happenings, and unmissable annual events such as EagleFest and—*lucky* for you—the many St. Patrick's Day Parades. There's more! Bundle up for a day outdoors after reviewing our Guide to Ice Skating, Skiing and Snowshoeing. Then it's time to sidle up with a warm drink you'll find in our Guide to Westchester Cocoas, Coffees, and Ciders (Sometimes Spiked). Make a day of it, why don't you. Shop healthy at a Winter Farmers Market or one of Westchester's new breweries. We have guides on both, along with a lot more in the pages ahead. So whether you're looking for a warm drink or a slippery rink, a table for two or a trail to snowshoe, a class of wine or a gift for you Valentine, thanks for starting your Westchester winter here, and I'm wishing you a spectacular season.

Future Boy

Your business needs the right branding. We start with a logo, then develop nerdy stuff like colors, fonts, stylesheets, and layouts. Then we build a big, pretty website and take photographs. The excitement continues as we design business cards, brochures, shirts, and more. Once we're done, everyone in town gasps in delight at your beautiful new business. You are hailed as a pillar of the community and showered with praise. Eventually, you run for mayor of your beloved town, then governor, and eventually the presidency. You bring peace to world. All because of graphic design. You're welcome.
